Click the "Pay with 3D Secure" button. You will be redirected to your card issuer, where you can confirm your card.

 

   With 14.000 customers, DIBS is a leading provider of secure online payments. We're PCI Level 1 certified, and adhere strictly to all payment standards for your safety. 

Example of a correct payment before you click PAY WITH 3D SECURE.
(All numbers has been removed for safety on this picture).
The amount will show in Norwegian kroner. (Removed here).
Click on PAY WITH 3D Secure.

Note: If you use Internet Explorer 10+ this may happen:

Look for a hidden new webpage – see next picture.

See previous photo:
Point your mouse over the Explorer icon, bottom left, and you will find a new window (similar to the one show left here).

Use the method you prefer, the left one is the most common.

Move your mouse over the Internet Explorer icon, and look for a new window – similar to the one above. The appearance of this window may be a little different, depending on your card issuer's solution.

Title may read: SIKKER NETTBETALING or SECURE PAYMENT or similar.

Follow the online instructions. This may vary according to your card issuer's specifications.

You will receive an email shortly after you've finished the procedure, confirming your payment.
